

LSW LSW SS Submersible Sewage Pump

Application

- City sewage
- Domestic sewage
- River sewage
- Manure wastewater

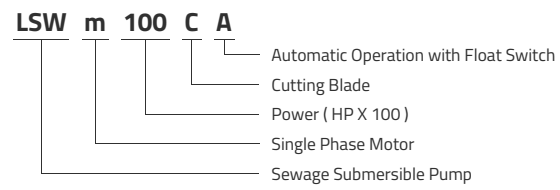

Pompe

- Stainless steel material
- Cable fixing Design
- Anti-rust process
- Cutting mechanism

Moteur

- High efficiency, strong power
- Cold rolled steel sheet, low temperature rise, long service life
- Standard thermal protector for single-phase motors
- Insulation class: F

Identification codes

Hydraulic performance

Total manometric head H(m)
